### REMARKS

In the Office Action of December 19, 2005, claims 24, 26-28 and 32 were rejected and claims 25, 29-31 and 33 were allowed. Although Applicant does not necessarily agree with the rejection of claims 24, 26-28 and 32, said claims are cancelled herewith to expedite the issuance of claims 25, 29-31 and 33.

Also in the 12/29/05 Office Action, the Examiner stated that "the amendment to fig. 13 on page 25, lines 30-34 is not supported by the drawing fig. 13 as originally filed. Fig. 13 shows a 32-inverse Fourier transform as originally filed." In response to this, Fig. 13 and the supporting text in the specification are amended herewith to indicate a 32-inverse Fourier transform.

In view of the foregoing amendments, Applicant respectfully requests allowance of claims 25, 29-31 and 33.

The Commissioner is hereby authorized to charge any additional fees or credit any overpayment to the deposit account of McAndrews, Held & Malloy, Account No. 13-0017.
